Provision over the holidays 2021

No one should go hungry, but in Britain in 2021 our unjust and unequal system is putting more and more of us in poverty. Our community is strong though and we're helping each other survive - pending revolution!

Pie & Mash will be providing extra large food parcels in the week of 13 December, then we're closed until the week of 3 January 2022. In Deptford Square 3pm to 4.30pm on Thursday 23rd the Pie N Mash crew are joined by Team Trooth serving up Christmas dinner and presents to the community.

ABOUT US

Pie N Mash is a friendly and optimistic community of over 300 people in south east London. As a mutual aid group, we work together to make sure we all have what we need to thrive.

ABOUT MUTUAL AID

But our project isn't just about food. It's also about growing the connections between people in our community. It's about getting to know each other and making friends in our local area. It's about understanding what makes our neighbours happy and what worries them. It's about coming together to solve problems and celebrate achievements. It's about helping people when they ask and being able to ask when we need help too.
